

Karen Lee, Ph.D.

School Reform/Data Analysis Specialist

858 Canyon Creek Dr.
Holly, MI 48442
(313) 303-7807
Klee858@comcast.net

Karen Lee is an educational researcher and school improvement consultant who is committed to the challenge of equalizing educational opportunities for urban school students. A strong supporter of public school reform, Dr. Lee has been a leading advocate of successful school decision-making through the effective use of data for more than 10 years. In addition, she has been approved by the Michigan Department of Education to provide Title I Schoolwide training to eligible schools for since 2000. As a result she has successfully trained more 30 schools to operate Title I Schoolwide programs.

Her professional accomplishments also include elementary and middle school teacher of mathematics, Program Evaluator and Researcher for the Detroit Public Schools, Assessment and Evaluation Consultant for Wayne County RESA, Contracted Title I School Turn-Around Specialist, and Program Evaluator for the Michigan Department of Education, V.P. of Achievement for the Edison Schools and Assistant Director of State, Federal and Local Programs, Executive Director of Secondary Education and School Improvement Coordinator for the Flint Community Schools. Her most recent challenge has been to assume the role of President and Principal Consultant of Data Driven Systems, a leading school reform consulting firm.
